CATHOLIC FAITH 101

Discipleship: A Christian disciple is someone who accepts and assists in the spreading of the Good News of Jesus Christ.

Discipleship is the process by which women and men grow in Jesus Christ and are equipped by the Holy Spirit to overcome the pressures and trials of this present life and become more Christ-like.

It is not knowing more information about Jesus, but knowing Jesus more, i.e., developing a very personal relationship with him. Discipleship calls us to live by faith in Jesus in the day-to-day of life by the Holy Spirit's power.

Jesus made disciples by spending time observing potential disciples. Before calling potential disciples into development, he interacted with them in a variety of settings and situations, e.g., fishing, as in today's Gospel. He didn't provide a syllabus, a PowerPoint guide or a template to follow. Jesus taught discipleship along the way of life and gave them a share in his mission. He challenged the disciples to embrace a life of fulfilling God's call to love and service.

The New Testament paints a remarkably simple portrait of disciple-making. Jesus called people to follow Him. After Jesus' death, resurrection and ascension, these people devoted themselves to fellowship, breaking bread, and prayer. They responded to Jesus' call by calling others to follow Jesus and join their community. As the church grew, it reproduced into small gatherings where believers continued "to make disciples who make disciples." We are ALWAYS looking for humble yet confident disciples in our Assumption Community!
